DRUM ECSTASY
STAGEPLOT

P.S. if compositions in a show are performed only on drums (project *DRUMS ONLY*), bass combo and channels 4,7 / 8 are not needed.

Travel

Travel by **train** in compartment, 4 places in the same wagon and compartment (or by minibus if the distance doesn't exceed 500 km) from and to the city indicated by the band head.

At the arrival there should be at least 1 person meeting the band, a representative of the inviting side and a minibus for transportation of musicians and instruments (or 2 cars).

Accommodation

Accommodations should be organized only in a hotel. The band has to be provided with 2 two-beds rooms (or 3 two-beds rooms if the band is coming by its minibus). The check-out of the hotel - not earlier than 2 hours before departure.

The **showers and toilettes** should be in the rooms, **hot water and included breakfasts** have to be available.

Food

Lunch and dinner are provided by organizers or per diem in the amount agreed beforehand. Timing has to be agreed with the band head at arrival. Please take into consideration that there are **NO vegetarians** in the band.

Sound check/concerts

Full execution of the technical rider of the band.

By the arrival of the band to the place all the equipment should be ready and tuned.

Minimum one hour is needed for the sound check. During the sound check there must be no strangers on the stage, only the band, sound producer, technicians and light engineer.

Dressing room

The band has to be provided by the dressing room (the shower is desirable). The key of the dressing room has to be given to the band head for the period of time of the sound check and concert.

The band has to be provided with 4 liters of mineral water with gas, apple juice and tea, 4 towels (or number of paper towels) before the concert start.

All the questions concerning the concert length must be discussed **only** with the band head!!!
